

A woman with long blonde hair, wearing a white tank top, blue jeans, and a wide-brimmed straw hat, is sitting on a dark metal bollard on a stone pier. She is looking out over a harbor towards a vibrant coastal town with multi-colored buildings (yellow, orange, red) and a prominent white bell tower. Several boats are docked in the harbor. The sky is blue with light clouds.

## Plans & Cover Types

### Plans

This Product contains the following Plans:

- Comprehensive
- Essentials

### Cover Types

The Cover Type which will apply to Your Policy is based on the number of eligible travellers to be listed on Your Certificate of Insurance.

The following Cover Types are available. Where a Cover Type advises that it covers a spouse/partner or Dependants, cover is only provided if those persons are named on Your Certificate of Insurance.

#### Single

Covers You and Your Dependants. The Single Benefit Limits are shown in the **Table of Benefits** under the Plan You have selected. The Benefit Limits apply to all claims combined, including any Dependants and not to each Insured Person.

#### Duo

However, except for **Benefit 6.1 Personal Liability**, all other Benefit Limits and sub-Limits which are available under the Multi-Trip Plan are reinstated on the completion of each Journey.

## Where will I be covered?

Before You select Your Plan, We will ask You to list the destinations You intend to visit, including any destination where You will have a transit time or stop-over of more than 24 hours. However, You don't need to list the destinations where Your transit time or stop-over is less than 24 hours.

If You haven't yet decided on all of the destinations You will be visiting, You can list the region(s) You're travelling to instead (rather than trying to work out each destination).

The Certificate of Insurance will list the destination(s), countries, and/or regions You have selected for cover. In addition, the Certificate of Insurance will also list the region/s You can travel to with this cover at no additional cost. See pages 80 to 82 for Our **Regions** list.

Aside from any destinations where Your transit time or stop-over is less than 24 hours, Your Policy will not provide cover outside of the destination(s), countries and/or regions listed on Your Certificate of Insurance.

#### Important travel alert information

Before purchasing Your travel insurance, check [www.safetravel.govt.nz](http://www.safetravel.govt.nz) and [Allianz Partners Travel Advisories](#) for travel alerts or advisories for Your intended destination(s).

Coverage may be affected or declined where a claim arises because You did not follow an advice or warning issued by the New Zealand government relating to Your destination. This includes travelling when an 'Avoid non-essential travel' or 'Do not travel' alert is in place and not taking action to minimise or avoid any potential claim. Please note, this also applies even if the New Zealand government has given You permission to travel or You fall under a specific exemption where there is otherwise a travel ban in place that prohibits You from travelling.

## Period of cover

We will confirm the issue of Your Policy by providing You with a Certificate of Insurance. The Certificate of Insurance will list the period You are insured for. See [When does my cover start?](#) and [When does my cover end?](#) below.

### When does my cover start?

For Comprehensive, Essentials, Domestic or Multi-trip Plans:

- cover under **Benefit 2.1 Cancellation** begins from the date Your Policy is issued – this is shown on Your Certificate of Insurance as the Date of Issue. Except for a Multi-trip plan, cover under **Benefit 2.1 Cancellation** only applies to the travel arrangements You will be using between the start and end dates shown on Your Certificate of Insurance.

- for a Multi-trip Plan, cover under **Benefit 2.1 Cancellation** applies to travel arrangements You booked during Your period of cover under this Policy.
- cover for all other Benefits begins when You start Your Journey or on the start date shown on Your Certificate of Insurance, whichever happens later.

### When does my cover end?

For a Comprehensive, Essentials or Domestic Plan:

- all cover finishes at the end of Your Journey or on the end date shown on Your Certificate of Insurance whichever happens first.

For the Multi-Trip Plan:

- cover under **Benefit 2.1 Cancellation** finishes on the end date shown on Your Certificate of Insurance.
- cover for each Journey for all other Benefits finishes at the end of the relevant Journey, at the expiry of the relevant Journey period or on the end date shown on Your Certificate of Insurance, whichever happens first.

Other than for Benefit 2.1 Cancellation, You are only covered for incidents or events when You are on a Journey during the period You nominated as shown on Your Certificate of Insurance. The maximum period for any one Journey under the Multi-Trip Plan, is shown on Your Certificate of Insurance.

## Automatic extensions of cover

Your cover will be extended at no additional charge for up to 3 months if Your return to Your Home has been delayed because of one or more of the following:

- a bus line, airline, shipping line or rail authority You are travelling on, or that has accepted Your fare or Luggage and Personal Effects, is delayed; or
- the delay is due to an event that is covered under this Policy. If the event causing the delay is not covered under this Policy, please refer to the **"Extending Your cover if You are already travelling"** section of the Policy Wording as You may be eligible to extend Your original period of cover.

The cover provided under **Benefit 1.4 Accidental Death** will not automatically extend for any period more than 12 consecutive months from the start date shown on your Certificate of Insurance, in any circumstances.

The cover will end when You return Home or if after assessment of Your claim, the Reasonable medical advice is that You are medically fit to return to New Zealand, the cover will end on the date that Allianz Partners would have been able to Reasonably facilitate Your return to New Zealand.

### Extending Your cover if You are already travelling

If You are already travelling and would like to be insured for longer than Your original period of cover, You will need to apply for cover prior to the expiry of Your original Policy.

To apply, please contact Allianz Partners on the number shown on the back cover of this Policy Wording to determine Your eligibility. Please note this may be subject

to certain underwriting requirements. If accepted, additional premium will apply.

If We accept Your application, We will issue You with a new Policy which will not be an extension of Your original Policy. A new period of cover will apply and You will be issued with a new Certificate of Insurance. The period of cover on Your new Certificate of Insurance cannot exceed 12 months from the start date shown on Your new Certificate of Insurance for Comprehensive or Essentials Plans and 69 days for Domestic Plans.

A new Policy cannot be provided if You are already travelling and if Your original Policy is:

- a Multi-Trip Plan.

**Important:** Cover under Your new Policy will not be provided:

- for any Pre-existing Medical Condition covered under Your original Policy unless You make a further application for cover and Allianz Partners agrees to provide cover for Your Pre-existing Medical Condition;
- for any medical condition You suffered during the term of Your original Policy that now meets the definition of Pre-existing Medical Condition for your new Policy unless You apply for cover for Your Pre-existing Medical Conditions at the time You apply for Your new Policy; or
- for losses related to any circumstances that have given (or may give) rise to a claim under Your original Policy.

## Excesses

An Excess is an amount which may be deducted from any claim payment We make to You. Please read the following information about the types of Excesses which may apply to Your Policy.

### Base excess

Your Policy has a base Excess which is shown on Your Certificate of Insurance. The base Excess applies to all events causing a claim **except** where the claim is payable under any of the following Benefits in which case the base Excess will not apply:

#### 1.1 Overseas Emergency Assistance

#### 1.3 Funeral Expenses

#### 3.2 Travel Delay Expenses

#### 4.2 Luggage & Personal Effects Delay Expenses

#### 4.4 Theft of Cash

#### 7.3 Cabin Confinement

#### 7.6 Formal Wear Delay Expenses

#### 7.7 Marine Rescue Diversion

#### 7.12 Piste Closure

You also have the option to vary the amount of the base Excess - refer to **Varying the Base Excess** in the **Optional Covers** section for details.

### Other Excesses

a] If You apply for cover of Your Pre-existing Medical Conditions (and Allianz Partners agrees to provide You with such cover), a medical Excess may apply to claims arising from those approved Pre-existing Medical

Conditions. Where a medical Excess applies to a claim, it will replace the base Excess, not be additional to it.

We will inform You in writing if a medical Excess applies and this will be shown on Your Certificate of Insurance.

**For example:** Sam selects a \$200 base Excess for his Policy. Sam applies for cover of a pre-existing heart condition. Allianz Partners agrees to provide cover for this condition and Sam selects a \$500 medical Excess. If Sam needs to make a claim arising from this condition, the medical Excess of \$500 will be applied to the claim. However, if Sam needs to make a claim which is not related to any covered Pre-existing Medical Condition, then the \$200 base Excess will be applied - not the medical Excess.

b] In addition to Your base Excess, a non-removable Excess of \$500 will apply to any claim payable under **Benefit 1.2 Overseas Medical & Hospital Expenses** and **Benefit 2.1 Cancellation** if You have purchased:

- a **Snow Pack** and Your claim arises from Your participation in Snow Sport Activities; or
- an **Adventure Pack** and Your claim arises from Your participation in any of the activities listed under the **Adventure Pack** in the **Optional Covers** section.

## Applying for cover

When You apply for Your Policy, We will confirm with You things such as the period of cover, Your premium, what cover options You have selected and what Excesses will apply, and whether any standard terms are to be varied. These details will be recorded on the Certificate of Insurance issued to You which may vary the standard Policy Wording terms.

To confirm any Policy transaction, (if the Certificate of Insurance does not have all the information You require), call Allianz Partners using the contact number shown on the back cover of this Policy Wording.

If We are unable to offer You the cover You seek, it will be because the particular product offered is not designed to cover a particular risk or risks including, but not limited to, some geographical regions, some Pre-existing Medical Conditions or some ages. In such a case, if You would like to discuss Your options please use the contact details on the back cover of this Policy Wording.

## Duty of disclosure

When You apply for insurance or alter this Policy, You have a duty at law, to disclose to Us all material facts. If You fail to disclose material facts or information it may affect

Your ability to make a valid claim.

A material fact is one that may influence a prudent insurer in deciding whether or not to accept the cover and, if so, on what terms and conditions and for what premium.

Examples of information You may need to disclose include:

- anything that increases the risk of an insurance claim;
- any criminal conviction subject to the Criminal Records (Clean Slate) Act 2004;
- if another insurer has cancelled or refused to insure or renew insurance, has imposed special terms, or refused any claim;
- any insurance claim or loss made or suffered in the past.

These examples are a guide only. If there is any doubt as to whether any particular piece of information needs to be disclosed, this should be referred to Us. If You fail to comply with Your duty of disclosure it may result in:

- this Policy being avoided retrospectively with the effect that the Policy never existed;
- this Policy being cancelled;
- the amount We pay if You make a claim being reduced; or
- Us refusing to pay a claim.

## Change of Circumstances

During the period of cover, You must tell Us immediately of any material change in the circumstances surrounding the subject matter of this insurance that:

- increases the risk We are insuring, or
- alters the nature of the risk We are insuring.

Once You have told Us, We may immediately change the terms of this Policy, and will provide You a copy of such change, or cancel the Policy and refund You the premium. If You fail to tell Us, We may apply these changes retrospectively from the date You ought to have Reasonably told Us.

## Your insurance premium

The cost of Your insurance is called a 'premium'. You will be told the premium that is payable for Your Policy when You apply and it will be shown on Your Certificate of Insurance. The premium amount is calculated using a number of factors including:

- Your risk profile. We work this out using a number of factors such as:
  - Your travel destination(s),
  - the length of Your Journey,
  - the amount and type of cover You require,
  - the number of people to be insured under the Policy, and their ages,
  - the time between the date You purchase Your Policy and the start date of Your Journey,
  - the Pre-existing Medical Condition(s) of the people insured under the Policy,
  - the likelihood of a claim being made on Your Policy.

- any discounts that may apply;
- any government charges We pay, such as GST;
- any other charges We tell You about;
- the Excess You choose.

## Cooling-off period

## Multi-Trip Plan

- The Multi-Trip Plan is a 12 month Policy which covers the number of Journeys that can be taken having regard to the maximum Journey period chosen by You.
- An international Multi-Trip Plan also covers any Journey which is limited to travel within New Zealand as long as the Journey includes an overnight stay at a destination at least 250 kilometres from Your Home (there is no cover for Journeys limited to less than 250 kilometres from Your Home).
- When purchasing this Plan, You will need to specify the duration of Your longest Journey within the 12 month Policy period to ensure all of Your Journeys are covered. The duration You choose **must cover** the total number of consecutive days in Your **longest Journey**. You will be able to choose from **up to 15 days, up to 30 days or up to 45 days**. The number of days You nominate will be shown on Your Certificate of Insurance.

**For example:** John is travelling domestically for one week (7 days) and internationally for four weeks (28 days) within the 12 month Policy period. John would choose up to 30 days as this is the duration of his longest Journey.

- Your Family or Travel Companion may be covered under this Plan. If You require cover for Your children or grandchildren or Travel Companion, You can add them at the time of purchasing this Plan. If cover is available, an additional premium will apply.

# Pre-existing Medical Conditions

Pre-existing Medical Conditions can complicate medical treatment, lengthen Your recovery time, and increase medical costs if You are Injured or become Sick while overseas. The likelihood of needing to cancel Your holiday for health reasons is also a possibility. Therefore it is important that You understand what this Product covers when it comes to Your health.

Please ensure that You read the definition of Pre-existing Medical Condition in the section headed **Our Definitions**.

## Please read the following information carefully

Some Pre-existing Medical Conditions may be covered automatically. These Automatically Covered Conditions are listed in this Policy, together with the requirements You must meet in order for cover to apply.

Please read the section titled **Automatic Cover for Some Pre-existing Medical Conditions** on page 18 to check if Your Pre-existing Medical Condition(s) can be covered automatically.

For any other Pre-existing Medical Condition not listed as an Automatically Covered Condition, We will only provide cover for claims which arise directly or indirectly from that Pre-existing Medical Condition if You have disclosed the Pre-existing Medical Condition to Allianz Partners and We have agreed in writing to include cover under Your Policy. Details of the approved Pre-existing Medical Condition(s) will be set out on Your Certificate of Insurance or Medical Terms of Cover document.

If You:

- choose not to disclose any Pre-existing Medical Condition; or
- disclose Your Pre-existing Medical Condition to Allianz Partners but do not accept the offer from them to include cover under Your Policy for Your Pre-existing Medical Condition,

You won't be covered for any claim that arises from that Pre-existing Medical Condition.

## Including cover for Your Pre-existing Medical Condition

You can apply to include cover under Your Policy for certain Pre-existing Medical Condition(s) at the time of purchasing Your Policy. You will need to complete Our medical assessment which can be done on-line or by calling the sales and general enquiries number shown on the back cover of this Policy Wording.

If You are pregnant at the time of purchasing Your Policy, Your pregnancy is considered to be a Pre-existing Medical Condition. Please ensure You read the section titled **Travel during pregnancy** on page 20 for important information about the cover this Product provides for pregnancy and when You need to apply for cover of a Pre-existing Medical Condition.

## Signs or symptoms of undiagnosed medical conditions

If You are experiencing signs or symptoms of a medical condition at the time of purchasing Your Policy, but

- You have not sought medical advice or a diagnosis;
- You have not been diagnosed;
- You are awaiting a specialist opinion; or
- the signs and symptoms are under investigation, (collectively, undiagnosed medical condition),

You cannot apply to include cover for the undiagnosed medical condition under Your Policy as a Pre-existing Medical Condition. Examples of undiagnosed signs or symptoms include, but are not limited to, unexplained bleeding, persistent cough, or localised mass or growth.

In these circumstances, the pre-existing medical exclusion will be applicable. Refer to the **General Exclusions** on page 60 for more details.

If after You have purchased Your Policy and the medical investigation of Your signs or symptoms has been completed and a diagnosis has been made for those signs and symptoms, provided You have not started Your Journey, You can complete a pre-existing medical assessment relating to the diagnosis. Please note that acceptance is not guaranteed.

If accepted, an additional premium may apply.

You cannot apply for cover of any Pre-existing Medical Conditions:

- under the Essentials Plan; or
- which involve signs or symptoms You are aware of but which have not been diagnosed by a Medical Adviser, or which are under investigation, or are awaiting a specialist opinion; or
- for any person who is not travelling with You on Your Journey and who will not be listed as an Insured Person on Your Certificate of Insurance.

## What happens once You apply for cover of a Pre-existing Medical Condition?

Once You have completed Our medical assessment, We will advise You of the outcome. Depending on Your Pre-existing Medical Condition(s), Allianz Partners may either:

- a] agree in writing to include cover under Your Policy for Your Pre-existing Medical Condition(s) (an additional premium may be payable, and a medical Excess may apply); or
- b] decline to include cover under Your Policy for Your Pre-existing Medical Condition(s).

If You have any other questions about Pre-existing Medical Conditions, please call the sales and general enquiries number shown on the back cover of this Policy Wording.

## Travel during pregnancy

If You know You are pregnant at the time of purchasing Your Policy, and:

- You have had Pregnancy Complications with this or a previous pregnancy; or
- You are expecting more than one child,

Otherwise, You do not need to tell Us about Your pregnancy as Your Policy will automatically provide cover for pregnancy related claims arising from an unforeseen event, as long as:

- the event occurred prior to the 24th week of Your pregnancy; and
- it is not something excluded under the Policy.

This automatic cover will also apply if You fall pregnant or discover You are pregnant after Your Certificate of Insurance has been issued.

**Important:** the cover provided under this Product in relation to pregnancy is for unforeseen events only. Even if Allianz Partners has included cover under Your Policy for Your pregnancy, this Product will **never** provide any cover for:

- a pregnancy once it is 24 weeks or more gestation; or
- any expenses for routine or regular antenatal care; or
- childbirth at any stage of Your pregnancy or costs relating to the care or health of a newborn child, other than as a result of an Accident occurring prior to the 24th week of Your pregnancy which:

- causes You to give birth prematurely; or
- requires You to be admitted to Hospital beyond the 24th week of Your pregnancy, during which time Your child is born.

Please ensure You read the other sections of the Policy Wording so that You are aware of the limitations and extent of the cover the Policy provides. In particular, please consider the [General Exclusions](#) on pages 60 to 65 as well as [Our Definitions](#) on pages 74 to 80.

### Useful Tips

1. It's a good idea to make sure Your doctor and/or midwife are aware of Your travel plans.
2. Be aware that due to health and safety requirements, many airlines and ferry/Cruise companies have their own restrictions regarding travel during pregnancy. Please note that their requirements may be different to the terms and conditions set out in this Product.
3. Consider whether this insurance is appropriate for Your needs if You are planning to travel beyond 24 weeks' gestation.

## 4.1 Luggage, Personal Effects & Valuables

You must take all Reasonable precautions to safeguard Your Luggage and Personal Effects and Your Valuables. If You do not, We will not pay Your claim. For example, You will not be taking Reasonable precautions if You leave Your belongings in a publicly accessible location:

- at such a distance from You that You are unable to prevent them being taken; or
- with a person who is not named on Your Certificate of Insurance, or who is not a Travel Companion or a Relative (or if these persons fail to take all Reasonable precautions to safeguard Your Luggage and Personal Effects or Valuables).

### 4.1.1 What We cover

a] Cover is provided for Your Luggage and Personal Effects or Valuables if, during the period of cover for Your Journey, they are stolen, accidentally damaged or are permanently lost, unless they are:

We expect You to report any loss or theft to the police or an office of the bus line, airline, shipping line or rail authority You were travelling on when the loss or theft occurred.

You should make Reasonable efforts to obtain confirmation from whoever You made the report to. This may be the easiest way to provide evidence of the loss or theft.

We may be entitled to reduce Your claim if You unreasonably delay or fail to make a report. A reduction in Your claim may occur

to the extent of the amount of prejudice We have suffered caused by Your delay.

#### 4.1.2 What We do not cover

To the extent permitted by law, We will not pay a claim in relation to Your Luggage and Personal Effects or Valuables if:

You should make Reasonable efforts to obtain confirmation from the Carrier who was responsible for Your Luggage and

Personal Effects confirming that Your items were delayed, misdirected or misplaced. This may be the easiest way to provide evidence of the delay.

If Your items are not returned to You and are considered to be permanently lost, We will deduct the amount We have paid You under this Benefit from any payable claim You have made under **Benefit 4.1 Luggage, Personal Effects & Valuables** for those items.

#### 4.2.2 What We do not cover

To the extent permitted by law, We will not pay if You are entitled to compensation from the Carrier You were travelling on for the relevant amount claimed.

However, if You are not reimbursed the full amount, We will pay the difference between the amount of Your expenses and what You were reimbursed, up to the Limit of Your cover.

**Please ensure You also read all the other sections of the Policy Wording – in particular, consider the **General Exclusions** on pages 60 to 65 and **Our Definitions** on pages 74 to 80.**

#### 4.3.1 What We cover

If during the period of cover for Your Journey, You lose any essential travel documents (including passports), Transaction Cards or travellers cheques, or they are stolen from You or destroyed, We will reimburse You for:

- the issuer's fees for any replacement costs (including communication costs) of the items which have been lost, stolen or destroyed; and/or
- any loss resulting from fraudulent use of Your lost or stolen Transaction Cards or travellers cheques other than those amounts covered by any guarantee given by the bank or issuing company to You as the holder of the Transaction Cards or travellers cheques.

Where Reasonably practicable, We expect You to report any loss or theft to the police and, in the case of Transaction Cards or travellers cheques, to the issuing bank or company in accordance with the conditions under which the Transaction Cards or travellers cheques were issued.

You should make Reasonable efforts to obtain confirmation from whoever You made the report to. This may be the easiest way to provide evidence of the loss or theft. We may be entitled to reduce Your claim if You unreasonably delay or fail to make a report. A reduction in Your claim may occur to the extent of the amount of prejudice We have suffered caused by Your delay.

# Claims

Read through the terms, conditions, exclusions, Limits and applicable sub-Limits of Your Policy – for example, the Benefits listed under the **Policy Benefits** and also in the **Optional Covers - Cruise Pack and Snow Pack Policy Benefits**, the **General Exclusions**, or on Your Certificate of Insurance - to check whether You are covered.

You must notify Allianz Partners as soon as You are Reasonably aware of any potential claim. Please submit full details of Your claim as soon as Reasonably possible by either:

- lodging Your claim on-line 24 hours a day at <https://claimmanager.co.nz>; or
- emailing or posting a completed claim form to Allianz Partners.

You can obtain a claim form by emailing Allianz Partners at [claims@allianz-assistance.co.nz](mailto:claims@allianz-assistance.co.nz) or by calling the contact number on the back cover of this Policy Wording.

In order to be sure that You are covered under this Policy You should, where practical, always contact Allianz Partners for approval before You incur expenses You wish to claim in order to check You are covered and that the amount is Reasonable. If You do not, We may reduce Your claim to the extent that We are prejudiced.

You must take all Reasonable steps to co-operate at all times in relation to providing supporting evidence and such other information that may Reasonably be required.

You must take all Reasonable steps to give any information Allianz Partners Reasonably asks for to support Your claim at Your expense. Examples of information to support Your claim includes police reports, valuations, medical reports, original receipts or Proof of purchase and ownership. If required Allianz

Partners may Reasonably ask You to provide them with translations into English of any such documents to enable their consideration of Your claim.

- a] If You think that You may have to cancel or shorten Your Journey You must tell Us as soon as possible. Contact Allianz Partners using the contact number shown on the back cover of this Policy Wording, or the 24-hour emergency assistance number if You are still Overseas.
- b] For medical, Hospital or dental claims, contact Allianz Partners as soon as practicable.
- c] For loss or theft of Your Luggage and Personal Effects or Valuables, report it as soon as Reasonably practicable to the police and obtain a written notice of Your report. This may be the easiest way to provide evidence of the loss or theft. If You unreasonably delay or fail to make a report and We are prejudiced by Your delay or failure, We may be entitled to reduce Your claim by the amount of prejudice We have suffered.
- d] For damage or misplacement of Your Luggage and Personal Effects, caused by the airline or any other operator or accommodation provider, report the damage or misplacement to an appropriate official as soon as Reasonably possible and take all Reasonable steps to obtain a written report, including any offer of settlement that they may make.

If there is a delay in claim notification, or You do not provide sufficient detail for Allianz Partners to consider Your claim, We can reduce any claim payable by the amount of prejudice We have suffered because of the delay.

## Overseas Hospital admission or medical evacuation

If You require emergency assistance, Allianz Partners is only a telephone call away. The team will help with medical problems, locating nearest medical facilities, Your evacuation Home, locating nearest embassies and consulates, as well as keeping You in touch with Your Family and work in an emergency.

If You are admitted to Hospital, or You are being treated as an outpatient and the total cost of such treatment is likely to exceed \$2,000, You or a member of Your travelling party, should contact Allianz Partners as soon as Reasonably possible to seek approval to incur such cost. Otherwise, We may reduce the amount payable for Your claim to the extent We are prejudiced. Approval will not be unreasonably withheld or delayed.

### Please note that We will not pay for any Hospital, medical or dental costs You incur in New Zealand.

You should treat them as You would any other health-related costs You incur when You aren't travelling, such as being treated under the New Zealand health system, or claiming through ACC or Your private health insurer.

## You can choose Your own doctor

Unless You are treated under a Reciprocal Health Care Agreement You are free to choose Your own Medical Adviser or, if You ask them to, Allianz Partners' Emergency Assistance Team can appoint a Medical Adviser to see You, in both cases subject to the **'Private Medical Treatment'** exclusion on page 61.

You must, as soon as possible, advise Allianz Partners of Your admission to Hospital or Your early return to New Zealand based on written medical advice.

If You do not get the medical treatment You expect, Allianz Partners can assist You but neither MSI nor Allianz Partners are liable for anything that results from that.

## Other insurance

If any loss, damage or liability covered under this Policy is covered by any other insurance, You must give Us details. If You make a claim under one insurance and You are paid the full amount of Your claim, You cannot make a claim under the other insurance. If You make a claim under any other insurance and You are not paid the full amount of Your claim, We will make up the difference, up to the amount this Policy covers You for, provided Your claim is covered by this Policy. We may seek contribution to amounts We have paid, or must pay, from Your other insurer. You must give Us any information We Reasonably ask for to help Us make a claim from Your other insurer.

## Depreciation

When taking into consideration the age of a covered item We will deduct the following amounts from Our settlement for each item You have claimed:

- For toiletries and medication (including skin care, make-up, perfume, deodorant and aftershave) We will deduct 50% of the purchase price for each year You have owned the item up to a maximum deduction of 80%;
- For mobile phones, smart phones, electrical devices, communication devices, all computers (including laptops and tablets), photographic equipment and electronics equipment We will deduct 20% of the purchase price for each year You have owned the item up to a maximum deduction of 80%;
- For clothing, footwear, luggage and books We will deduct 15% of the purchase price for each year You have owned the item up to a maximum deduction of 80%;
- For camping, sporting and leisure equipment (but not leisure clothing) and musical instruments We will deduct 10% of the purchase price for each year You have owned the item up to a maximum deduction of 80%;
- For Jewellery We will not make any deduction;
- For all other items We will deduct 15% of the purchase price for each year You have owned the item up to a maximum deduction of 80%.

### For example:

You have a \$500 digital camera that was purchased 2 years before the date it was lost. The rate of Depreciation would be 20% per year.

In settlement of Your claim We would pay You \$300 (i.e. We will depreciate the value of the digital camera by 20% of the purchase price for each of the 2 years You have owned it), calculated as follows:

Year 1 - Purchase price of \$500 less 20% (\$100) = \$400

Year 2 - Depreciated value of \$400 less 20% of the purchase price (\$100) = \$300

We will not apply Depreciation to any item We pay for where less than 12 consecutive months have elapsed since the item was purchased new.

## How GST may affect Your claim

If You are entitled to claim an input tax credit in respect of a cost for which a claim is made, or would be entitled to an input tax credit if You were to incur the relevant cost (i.e. in replacing a lost or stolen item), the amount We would otherwise pay will be reduced by the amount of that input tax credit.

If You are entitled to claim an input tax credit in respect of Your premium You must inform Us of the amount of that input tax credit (as a percentage) at the time You first make a claim. If You fail to do so, You may have a liability for GST if We pay You an amount under Your Policy.

If You are liable to pay GST under section 5(13) of the Goods and Services Tax Act 1985 on receipt of any payment under Your Policy, then We will pay You for the cost of that GST.

## Claims are payable in New Zealand dollars to You

We will pay all claims in New Zealand dollars. We will pay You unless You tell Us to pay someone else. The rate of currency exchange that will apply is the rate at the time You incurred the expense. Payment will be made by direct credit to a bank account nominated by You.

## You should not admit fault or liability before consulting Us

You should not admit that You are at fault for any accident, incident or event causing a claim under Your Policy, and You must not offer or promise to pay any money, or take any steps in relation to any legal action, without the approval of Allianz Partners. Such approval will not be unreasonably withheld or delayed. If You do, We may reduce or refuse Your claim to the extent We are prejudiced.

## Fraud

Insurance fraud places additional costs on honest policyholders. Fraudulent claims force insurance premiums to rise. We encourage the community to assist in the prevention of insurance fraud.

You can help by reporting insurance fraud by calling Allianz Partners on **0800 800 048**. All information will be treated as confidential and protected to the full extent under law.

## Recovery

If We have a claim against someone in relation to the money We have to pay or We have paid under Your Policy, You must take Reasonable steps to help Us do that in legal proceedings. If You are aware of any third party that You or We may recover money from, You must take Reasonable steps to inform Us of such third party.

We may, at Our discretion, undertake in Your name and on Your behalf, control and settle proceedings for Our own Benefit in Your name to recover compensation or secure indemnity from any party in respect of anything covered by this Policy. We will act Reasonably having regard to Your interests, and will keep You informed if You ask Us to.

You are to assist and permit to be done, everything Reasonably required by Us for the purpose of recovering compensation or securing indemnity from other parties to which We may become entitled or subrogated, upon Us accepting Your claim under this Policy regardless of whether We have yet paid Your claim and whether or not the amount We pay You is less than full compensation for Your loss. These rights exist regardless of whether Your claim is paid under a non-indemnity or an indemnity clause of this Policy.

We will apply any money We recover from someone else under a right of subrogation in the following order:

1. to Us, Our costs (administration and legal) arising from the recovery.
2. to Us, an amount equal to the amount that We paid to You under Your Policy.
3. to You, Your uninsured loss (less Your Excess).
4. to You, Your Excess.

Once We pay Your total loss, We will pay You the balance of any money left over.

If We have paid Your total loss and You receive a payment from someone else for that loss or damage, You must pay Us the amount of that payment up to the amount of the claim We paid You.
